

BELVA, DEAR; BELVA, DEAR.

New York Journal.

We'll not vote for Ben nor Grove,
Belva, dear; Belva, dear;
For our choice is you and "Love."
Belva, dear; Belva, dear;
We endorse your views in full,
For we know you're sound on wool,
With husband's hair to pull,
Belva, dear; Belva, dear!

II.

When our votes for you are cast,
Belva, dear; Belva, dear;
Will you tax the bustle vast,
Belva, dear; Belva, dear;
Will you place a tariff high,
On the hosiery we buy?
We wait your calm reply,
Belva, dear; Belva, dear!

III.

For our babies we expect,
Belva, dear; Belva, dear;
"Home productions" you'll protect,
Belva, dear; Belva, dear;
And a husband's pockets see
The'll no "port of entry" be
While We slumber peacefully,
Belva, dear; Belva, dear;
While we slumber peacefully,
Belva, dear; Belva, dear;

IV.

On the bald heads at a show,
Belva, dear; Belva, dear;
Would you put a stamp or no,
Belva, dear; Belva, dear?
Will you hang the fiends we meet,
Who in cars give up no seat,
And reduce Chicago feet,
Belva, dear; Belva, dear?
And reduce Chicago feet,
Belva, dear; Belva, dear!

V.

Ben and Grover we will shake,
Belva, dear; Belva, dear;
For you're sure to take the cake,
Belva, dear; Belva, dear;
Who'd prefer a man to you,
With your locks of auburn hue,
And your little heart so true,
Belva, dear; Belva, dear?
And your little heart so true,
Belva, dear; Belva, dear!

VI.

When you're in the White House far,
Belva, dear; Belva, dear;
Will you squelch the bob tail car,
Belva, dear; Belva, dear?
Will you put the wires low,
Make the Chinese skip and go.
Will you give the boys a "show,"
Belva, dear; Belva, dear?
Will you give the boys a "show,"
Belva, dear; Belva, dear?

VII.

Should you win the seat of grace,
Belva, dear; Belva, dear;
Should you whip them in the race,
Belva, dear; Belva, dear;
Try to give us all a chance,
At the tariff take a glance.
Tax dear Mary Walker's pants,
Belva, dear; Belva, dear;
Tax dear Mary Walker's pants,
Belva, dear; Belva, dear!
