**DEWEY'S FLAG SHIP OLYMPIA—CAPTAIN GRIDLEY, COMMANDER.**

*Mrs. Gridley, mother of Captain Gridley, who was in command of Dewey's flag ship, at the destruction of the Spanish fleet at Manila, says of our remedy, Peruna:*

*"At the solicitation of a friend I used Peruna, and can truthfully say it is a grand tonic and is a woman's friend, and should be used in every household. After using it for a short period I feel like a new person."*

Mrs. Longstreet is the wife of the famous Confederate General, Lieutenant-General James Longstreet, the only living ex-Confederate officer of that rank. She writes to The Peruna Medicine Co.:

"I can commend your excellent remedy, Peruna, as one of the best tonics, and for those who need a good, substantial remedy, I know of nothing better. Besides being a good tonic it is an effective cure for catarrh."

in America. As the pioneer of her sex in the legal profession she has gathered fame and fortune. In a letter to The Peruna Medicine Co., she says: "I have used your Peruna both for myself and my mother, Mrs. Hannah J. Bennett, now in her 88th year, and I find it an invaluable remedy for cold, catarrh, hay fever and kindred diseases; also a good tonic for feeble and old people, or those run down, and with nerves unstrung. I desire, also, to say that it has no evil effects and produces no after depression."

Miss Mary J. Kennedy, manager of the Armour & Co.'s exhibit, Trans-Mississippi Exposition, Omaha, Neb., writes the following in regard to Peruna, from 842 W. 62nd street, Chicago, Ill.:

"I found the continual change of diet incidental to eight years' traveling completely upset my digestive system. On consulting several physicians they decided I suffered with catarrh of the stomach."

"Their prescriptions did not seem to help me any, so, reading of the remarkable cures perfected by the use of Peruna, I decided to try it, and soon found myself well repaid."

"I have now used it for about three months and feel completely rejuvenated. I believe I am permanently cured, and do not hesitate to give unstinted praise to your great remedy, Peruna."

Every organ of the body is liable to catarrh. Symptoms of catarrh differ according to the part affected. If the catarrh is confined to the nose the symptoms will be sneezing and mucus discharges, or the formation of dry scabs, corresponding to the stage of the disease.

When in the pharynx it causes hawking, enlarged follicles and tonsils, and sometimes deafness. In the larynx it produces hoarseness, and often loss of voice. As soon as it reaches the trachea and bronchial tubes, cough, with abundant mucous expectoration, ensues.

Upon reaching the lungs catarrh speedily causes consumption, and all of the symptoms of that dread disease follow sooner or later. Catarrh also attacks the urinary tract, producing in the kidneys "Bright's Disease," in the bladder chronic cystitis, and in the urethra small, frequent and painful urinary passages. Peruna is a specific for catarrh wherever located and in all stages.
