

# WOMEN OF THE UNITED STATES

REGARD PERUNA AS THEIR SHIELD AGAINST CATARRH, COUGHS, COLDS, GRIP AND CATARRHAL DISEASES.

## MRS. BELVA A. LOCKWOOD, LATE CANDIDATE FOR THE PRESIDENCY

Mrs. Belva Lockwood, the eminent barrister, of Washington, D. C., is the only woman who has ever been a candidate for the Presidency of the United States. She is the best known woman in America. As the pioneer of her sex in the legal profession, she has gathered fame and fortune. In a letter to The Peruna Medicine Company, she says:

***"I have used Peruna both for myself and my mother, Mrs. Hannah J. Bennet, now in her 88th year, and I find it an invaluable remedy for cold, catarrh, hay fever and kindred diseases; also a good tonic for feeble and old people, or those run down, and with nerves unstrung."***—Belva A. Lockwood.

Mrs. T. Pelton.

Mrs. T. Pelton, 562 St. Anthony avenue, St. Paul, Minn., writes:

"Peruna has done wonders for me. It has cured my headache and palpitation of the heart; has built up my whole system. I cheerfully recommend Peruna to all sufferers afflicted with catarrh. My mother is never without Peruna. When one is tired and generally out of sorts, if Peruna is taken it immediately removes that tired feeling."

Peruna cures catarrh by removing the cause, inflamed mucous membranes.

Dr. Hartman, the compounder of Peruna, once said, in a lecture to women:

"A great number of women consult me every year. I often have occasion to say to these patients, 'I fear you have catarrh, madam.' They will generally reply, 'Oh, no, I never had catarrh. My nose is perfectly clear, and

my breath is not bad, I am not troubled with coughing or spitting, or any other disagreeable symptoms of catarrh.' But, my dear madam, you may have catarrh all the same. Catarrh is not always located in the head. You may have catarrh of the lungs, or stomach, or liver, or kidneys, and especially you may have catarrh of the pelvic organs."

The doctor went on to say:

"I have been preaching this doctrine for the last forty years, but there are a vast multitude of women who have never heard it yet. Catarrh may attack any organ of the body. Women are especially liable to catarrh of the pelvic organs. There are one hundred cases of catarrh of the pelvic organs to one of catarrh of the head. Most people think, because they have not catarrh of the head, they have not catarrh at all. This is a great mistake, and is the cause of many cases of sickness and death."

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Mrs. Julia C. Brown, of Pecatonica, Ills., says: "I have used Peruna in my home for the past four years and am thoroughly convinced that it is a reliable family remedy."—Julia C. Brown.
